SUMMARY

Data-driven business strategy and performance marketing professional with experience across high-spend digital portfolios in Healthcare, E-commerce, Fintech, BFSI, Logistics, Automobile, OTT, and Lead Generation. Combines performance marketing, business analytics, client solutioning, and AI-enabled automation to drive measurable growth.

EXPERIENCE

Assistant Manager – Business Strategy

Feb 2026 – Present

Aristok Technologies

- Managed and mentored a team of 10+ people comprising Interns, Business Analysts, and Senior Business Analysts.
- Managed 8+ accounts with monthly spends exceeding INR 8 Cr across Healthcare, E-commerce, Fintech, and BFSI.
- Spearheaded business development pitches and presented to CXOs across multiple domains, showcasing strategic expertise and driving portfolio growth.
- Conducted extensive analysis across product, user behaviour, competition landscape, and business metrics including retention and LTV, scaling Google business from INR 4 Cr to INR 6.5 Cr in 6 months.
- Built multiple interactive dashboards using AI tools such as Claude and GPT, reducing manual intervention and driving operational efficiency across the cluster.

Senior Business Analyst

Dec 2024 – Jan 2026

Aristok Technologies

- Managed 5+ brands across E-commerce, BFSI, Logistics, and Lead Generation, including Liquid I.V., Ventura, Indira IVF, and Porter.
- Optimized Meta campaigns to 2x scale while reducing CAC by 56% through audience, creative, and event optimization.
- Designed and executed a funnel-based GTM strategy for Liquid I.V. India, generating INR 2 Cr revenue and 150K Instagram profile visits within the first 6 months.
- Improved CPVL by 35% for Indira IVF by restructuring Meta campaigns across demographics, creatives, and communication.
- Supported business development efforts by creating and presenting pitches to CXOs, contributing to new client acquisition.
- Led organization-wide horizontal initiatives to promote strategic experimentation and accelerate business growth.

Business Analyst

Mar 2023 – Dec 2024

Dentsu India

- Managed a portfolio of clients across E-commerce, BFSI, Logistics, Automobile, OTT, and Lead Generation, including Marks & Spencer, Myntra, Tata Neu, Bajaj Auto, and Purpille; overseeing spends of INR 15 Cr+ monthly.
- Scaled Marks & Spencer India's app business on Meta by 1.7x while improving ROAS by 21% YoY.
- Developed an omnichannel strategy for Bajaj Auto's Pulsar range, resulting in 10x lead growth at 57% lower CPL; achievement showcased in a Sokrati case study.
- Leveraged Adobe Analytics for product-level campaign analysis, building user purchase flows and targeted audiences to enhance campaign relevance.
- Maintained strong client relationships, ensuring satisfaction and sustained growth.

Business Development Associate

Aug 2022 – Oct 2022

PlanetSpark

- Drove sales for premium English-speaking courses, effectively targeting desired audiences to increase enrollment and revenue.
